

Love Your Tender

Tuesday 20th March 2012 - 10:00am - 3:00pm
Training in Childcare & The Childcare People
Unit 11 Witney Way, Boldon Business Park,
Boldon, NE35 9PE

- Does your voluntary and community sector organisation work with children, young people and families?
- Are you new to delivering public services for your local area as part of their commissioning strategy?
- Do you want to make sure that you are ready to tender when the opportunity presents?

Then this training session and its recently updated toolkit is for YOU!

Aims

Increase awareness, confidence and the ability of VCSE organisations that work with children, young people and their families to successfully take part in commissioning and tendering processes.

Outcomes

By the end of the session participants will have:

- A toolkit to guide them towards becoming more 'tender ready';
- An understanding of the difference between grant funding and contracting; and assessed how 'tender ready' they are and flagged up issues that need further work;
- Considered how their organisations give 'added value';
- Been introduced to an outcomes planning framework;
- Thought about how to take work on contracting forward.
- Had an introduction to new forms of finance, such as social impact bonds.
