Membership fees are based on a sliding scale according to your organisation's income. Children England is governed by a trustee board, comprising various membership categories. These categories reflect the income of the organisation. If your organisation is not solely devoted to children, young people and families services the fees of the departed dedicated to this area will calculate your membership fees.

Please could you enclose a copy of your latest statement of accounts and annual report with this application.

Please provide your audited income for your services to children, young people and families for the last financial year
