

## VCS Engage regional development

Region: North East

Date: September 2008

Aim: To improve the engagement of the Children, Young People and Families (CYPF) VCS in the design and delivery of the Every Child Matters agenda in the North East

Objectives:

- To develop effective regional and local networks and partnerships for the CYPF VCS
- To support the effective representation of the CYPF VCS in regional and local strategic planning forums
- To lobby and influence local and regional government around the engagement of the CYPF VCS in service planning and delivery
- To support the engagement of the CYPF VCS in workforce reform and integrated working processes
- To facilitate the involvement of the CYPF VCS in a range of capacity building and workforce development opportunities
- To promote collaboration and partnership working locally and regionally, and within and between sectors
